Re: Power Integrations v. Fairchild Semiconductor et al. (CA 04-1371 JJF)

Dear Michael:

As I mentioned in my previous letter, Fairchild is working with Intersil to collect any non-privileged documents Intersil may have that are relevant to Power Integrations' discovery requests. Please find the attached documents bearing Bates range FCS1691462 - FCS1691473, all marked Highly Confidential. We received a poor quality copy of these documents Friday, and did not receive a higher quality copy until today. They were not previously in our possession, custody, or control.

Please feel free to contact me with any issues concerning these documents, or any other Intersil documents.

Sincerely,

Brian H. VanderZanden
